**Dark Shadows** Transformed into a vampire and entombed for 200 years after betraying vengeful witch Angelique Bouchard (Eva Green), 18th century fishing magnate Barnabas Collins (Johnny Depp) returns to Collinwood Manor in 1972, only to find his once proud estate in ruins and his family plagued by macabre secrets. It was the year 1752 when Barnabas' parents came to America to expand their business empire. But after establishing the thriving New England fishing town of Collinsport, the family experienced a series of misfortunes when Barnabas fell for the gorgeous Josette DuPres (Bella Heathcote) and cast aside beautiful witch Angelique, who cursed him with eternal life and buried him deep in the earth. Returning home to Collinwood Manor after being dug up by a construction crew in 1972, Barnabas learns that Angelique has nearly driven his family out of business, and turned the townspeople against them. Determined matriarch Elizabeth Collins Stoddard (Michelle Pfeiffer) employs live-in psychiatrist Dr. Julia Hoffman (Helena Bonham Carter) and enchanting governess Victoria Winters (Heathcote) to try and help young David Collins (Gully McGrath) get over the mysterious death of his beloved mother, but as Barnabas gets acquainted with his distant ancestors -- including Elizabeth's black-sheep brother Roger (Jonny Lee Miller) and headstrong teenage daughter Carolyn Stoddard (Chloe Moretz) their suffering weighs heavily on his shoulders. Later, when Angelique learns that Barnabas has returned on a mission to restore his family to its former glory and fallen for the radiant Victoria (who is actually Josette reincarnate), she vows to make his suffering unimaginable if he should dare refuse her once again. Jackie Earle Haley, Bella Heathcote, and Gulliver McGrath co-star. *Warner*

**Sons of Anarchy Season 4** Ride full-throttle with the Sons of Anarchy into the most intense, adrenaline-charged season ever! Out of prison and back in business, Samcro faces a powerful new nemesis as they forge an unlikely alliance and head in a dangerous new direction. As a deadly internal power struggle rocks the club to its very core, Jax struggles with the legacy of his father and makes plans for the future of his family amid chaos, corruption, betrayal, and murder. Action-packed with electrifying extended episodes, Sons of Anarchy: Season Four will take you for the ride of your life! *Fox*

**The Good Wife Season 3** Turns out the good wife is not afraid to be bad. Tougher in the courtroom. Stronger for her family. And hotter than ever behind closed doors. Season 3 reveals a new side to Alicia Florrick (Emmy and Golden Globe winner Julianna Margulies)... and she likes it. Upping her game at the office, Alicia is pivotal in helping Lockhart/Gardner navigate a year of rough waters. While she and Will (Josh Charles) finally get their romantic timing right, there are consequences for both. She has a new professional adversary in her ex, Peter Florrick (Chris Noth), who aligns with Alicia's rival Cary (Matt Czuchry). Will faces disbarment, Diane (Christine Baranski) tries to keep the firm afloat and Kalinda (Emmy winner Archie Panjabi) tries to mend her damaged relationship with her best friend. Meanwhile, Eli (Alan Cumming) has joined the firm, clashing with partners, attorneys and Alicia as only he can. From the start of this 6-disc, 22-episode collection, The Good Wife is a brand-new woman. *Paramount/CBS*

**The Courier** In a business that asks no questions, The Courier (Jeffrey Dean Morgan), is the best out there - but he wasn't expecting a deal like this. Deliver a briefcase, get a million dollars. What's the catch? Fail, and his family gets killed. The briefcase belongs to a killer as elusive as a nightmare, and so feared that the entire Underworld trembles at the mention of his name. And with a new partner by his side (Josie Ho), it's hard to know who to trust. Hounded by hit men and hustlers, double-dealing feds and double-crossing accomplices, the Courier embarks on an impossible journey that ultimately unravels his own murky past. *Well Go USA*

**London 2012** The Games of the XXX Olympiad turned the world's attention to London, and for 17 days we watched as the world's greatest athletes chased their dreams. Though separated by geographical origins and cultural backgrounds, all competitors shared the undeniable attributes of athleticism and determination. Each venue provided exhilarating performances... from the swimming pool to the beach volleyball court... from the track to the soccer field, and from the gymnastics center to the basketball court. Michael Phelps became the most decorated Olympian of all time, Missy Franklin emerged as a rising star in the pool, Usain Bolt confirmed his title as the world's fastest man, Misty May-Treanor and Kerry Walsh Jennings won their third straight beach volleyball gold, and the Fierce Five earned Olympic gold in women's gymnastics... these and many other captivating and unforgettable moments of those two weeks in London will last forever on this official commemorative 2 hour DVD. *Vivendi*

**Hunger Games** Every year in the ruins of what was once North America, the Capitol of the nation of Panem forces each of its twelve districts to send a teenage boy and girl to compete in the Hunger Games. Sixteen-year-old Katniss Everdeen volunteers in her younger sister's place and must rely upon her sharp instincts when she's pitted against highly trained Tributes who have prepared their entire lives. If she's ever to return home to District 12, Katniss must make impossible choices in the arena that weigh survival against humanity and life against love. *Lionsgate*

**For The Love of Money** One man leaves his old, seedy, gangster-filled lifestyle to start over with his family. After he relocates to Los Angeles, it isn't long before the world of crime that he tried to escape finds him. Threatened by a dangerously temperamental gangster, his criminal cousin and a drug lord, Isaac finds getting a fresh start almost impossible. As those close to him fall victim to the promises of quick money by the way of the gun, violence surrounds him until he has no choice but to confront it. He'll do whatever it takes to keep those close to him safe, even if it means going back to his old ways. *Lionsgate*

**Funkytown** In Montreal in 1976, they all wanted to see and be seen at the trendiest club in town, and juggled freedom and tradition, lovers and family, drugs and sobriety, fame and anonymity, in a time when excess was the norm, and disco ruled. Based on true events, Funkytown brings back the glitter, glamour and edginess of that era. *Wolfe*

***The Big Bang Theory: 1st Season*** Physicists Leonard and Sheldon understand everything from the inescapable gravitational pull of a black hole to the intricate structure of the atom. But take those atoms and assemble them into a woman, and their comprehension comes to a grinding halt. And when Penny, a woman with all those atoms in all the right places, moves in across the hall, Leonard and Sheldon's universe begins to expand in ways they never could have imagined. When series creators Chuck Lorre (Two and a Half Men) and Bill Prady (Dharma & Greg) combine equal parts science, superheroes and sex and add stars Johnny Galecki (Roseanne) and Jim Parsons (Judging Amy), the result is an explosively funny comedy for the nerd in all of us. Warner

***The Big Bang Theory: 2nd Season*** The science of funny is back! At work, physicists Leonard and Sheldon and their geek pals conquer the cosmos. At home, real life - from dating to driving - conquers them. This season, Leonard gets a girl. So does Sheldon. (Sheldon?!) Howard drives the Mars Rover into a ditch. Raj woos a terminator. Gorgeous girl-next-door Penny falls under the spell of Age of Conan. And super-smart, überconfident Leslie Winkler reduces mere men to spineless jellyfish. Twenty-three laugh-filled episodes from series creators Chuck Lorre (Two and a Half Men) and Bill Prady (Gilmore Girls) and a talented cast with astronomical comedy I.Q.s show why Big Bang is such a big hit. Warner

***Two and a Half Men Season 9 Season Nine*** comes with big changes - and even bigger laughs from the Men of TV's favorite comedy! When hopeless nebbish Alan Harper (Jon Cryer) and his fast-maturing son Jake (Angus T. Jones) suddenly find themselves without a place to call home, their solution walks in off the beach in the form of internet gazillionaire, Walden Schmidt (Ashton Kutcher), who buys the Malibu beach pad and offers to let Alan and Jake stay. Soon, the three guys bond, forming a substitute family, and find themselves involved in all sorts of comedic exploits that you've come to expect from Two and a Half Men. As the season unfolds, Walden turns to Alan (of all people) for advice on his forlorn love life, Jake considers his future as a high school graduate, and Walden considers the upside of Berta's "special" brownies. Meanwhile, Alan has a brush with death and - even worse - life without a view of the ocean. 24 fresh episodes - serious manly fun! Warner

***Criminal Minds Season 7*** The FBI's Behavioral Analysis Unit (BAU) is trained to blow your mind. Season 7 of Criminal Minds explodes on to DVD with 23 thrilling episodes. The season begins with the team reeling from the presumed death of Emily Prentiss, and answering to a Senate Committee about their subsequent actions. Profiling expert David Rossi (Joe Mantegna) is faced with a personal crisis involving his ex-wife, while team leader Aaron Hotchner oversees his crew on a series of increasingly twisted, complex cases. But with a powerhouse team that includes Dr. Spencer Reid, Special Agent Derek Morgan, Special Agent Jennifer "JJ" Jareau and technical analyst Penelope Garcia, no killer ever makes a clean getaway. Paramount/CBS

***Meeting Evil*** Samuel L. Jackson and Luke Wilson star in Meeting Evil, an intense psychological thriller that will bring you face to face with pure terror. Jackson is Richie, a mysterious stranger who shows up at John's (Wilson) door asking for help with his car. All too soon, the mild-mannered John discovers he has become an unwilling passenger, trapped in a murderous ride through town and deep into the countryside. When Richie decides to pay a visit to John's wife (Leslie Bibb) and kids, John has no choice but to confront this sadistic and unpredictable killer, but saving his family will ultimately come at a terrible price. Sony

***Boss Season One*** Betrayal starts from within. Mayor Tom Kane (Golden Globe winner Kelsey Grammer) is King of Chicago and he rules his domain with an iron fist. Deception, scandal, and betrayal go hand in hand with Kane's form of politics. As long as he gets the job done, the people of Chicago look the other way. Despite being the most effective mayor in recent history, Kane is hiding a dark secret. A degenerative brain disorder is ripping everything away from him and he can't trust his memory, his closest allies, or even himself. Watch as Kane viciously fights battles on all fronts in Boss: Season One. Lionsgate

***Intruders*** Is the chilling story of two children living in different countries, each visited nightly by a faceless being who wants to take possession of them. Though no one can see him, Hollow Face lurks in the corners, desperately desiring love but only knowing how to spread fear and hate. He creeps into the life of John Farrow (Clive Owen) after Farrow's beloved 13-year-old daughter Mia (Ella Purnell) is assaulted in their home. The line between the real and the imaginary blurs as fissures start to open within the family unit. It seems that no security measure can keep Hollow Face out. Millennium

***Dark Nemesis*** In a post-apocalyptic world ravaged by feuding warlords, a group of desperate soldiers hatch a plan to steal a Warlord's treasure and start a new life. When they are faced with the threat of horrific death at the hands of the Warlord's executioners, the men escape into a desolate and forbidden land known only as The Shadowlands. Now the men must flee from the Warlord's vicious assassins while defending themselves from the terrifying creatures that inhabit the land. MTH  
***The Sword Identity*** In the Southern Chinese city of Guancheng, during the Ming Dynasty, there lived four families, each of them faithful keepers of martial arts. Anyone who wants to establish a new form or technique of kung fu has to fight their way through the families' gates. But when one man's request is rejected, he will be put through a series of fights, determined to prove that his sword is invincible. Lionsgate

***Jesse Stone: Benefit of the Doubt*** The chief is back on the job. When a shocking double homicide rocks the quiet town of Paradise, Stone is forced back into action. His police department nearly emptied of staff, he has to rely on his expert intuition to sort through a maze of misleading clues as he attempts to unravel the mysterious murders. Kathy Baker, Gloria Reuben, Robert Carradine, Saul Rubinek and William Devane co-star in this thrilling installment, based upon characters created in Robert B. Parker's Jesse Stone books. Sony

***NCIS Season 9*** The NCIS team is back in action with all 24 suspense-filled episodes of Season 9. Special Agent Jethro Gibbs (Mark Harmon) continues to lead the team at the Naval Criminal Investigative Service as they probe into intense military matters, including national security breaches, a secret society of superheroes, and brutal murders - one of which drops them in the heart of Afghanistan and another which leads them to a long-lost agent. Co-stars Michael Weatherly, Cote de Pablo, Sean Murray, Pauley Perrette, Rocky Carroll, Brian Dietzen and David McCallum comprise this do-or-die unit that seeks truth beyond a doubt and puts justice above all. On DVD for the first time, this must-own 6-disc collection contains exclusive special features that make a case for gripping drama. Paramount/CBS
