That's My Boy Who's your daddy? Well for Todd (Andy Samberg) that proves to be a tricky question. You see back in fifth grade, his father (Adam Sandler) was the teacher's pet in more ways than one. Thirty-something years later, Todd's old man is back to bond over babes, brews and to, hopefully, get bailed out of trouble. This raunchy, hysterically funny, I-can't-believe-they-just-did-that tale of two mismatched men begs the eternal question: Like father, like son?
