**Star Trek II: The Wrath of Khan** It is the 23rd century. The Federation Starship U.S.S. Enterprise™ is on routine training maneuvers and Admiral James T. Kirk (William Shatner) seems resigned to the fact that this inspection may well be the last space mission of his career. But Khan is back. Aided by his exiled band of genetic supermen, Khan (Ricardo Montalban) - brilliant renegade of 20th century Earth - has raided Space Station Regula One, stolen a top secret device called Project Genesis, wrested control of another Federation starship, and now schemes to set a most deadly trap for his old enemy Kirk... with the threat of a universal Armageddon! Paramount

**Kill Your Friends** As the twentieth century breathes its very last, with Britpop at its zenith, twenty-seven-year-old A&R man Steven Stelfox (Hoult) is slashing and burning his way through London's music industry. Blithely crisscrossing the globe in search of the next megahit - fueled by greed and inhuman quantities of drugs and alcohol - Stelfox freely indulges in an unending orgy of self-gratification. But the industry is changing fast, the hits are drying up, and the only way he's going to salvage his sagging career is by taking the idea of "cutthroat" to murderous new levels. Well Go

**Tarzan Lord Jungle - Season One** As the opening narration explains: "The jungle: Here I was born; and here my parents died when I was but an infant. I would have soon perished, too, had I not been found by a kindly she-ape named Kala, who adopted me as her own and taught me the ways of the wild. I learned quickly, and grew stronger each day, and now I share the friendship and trust of all jungle animals. The jungle is filled with beauty, and danger; and lost cities filled with good, and evil. This is my domain, and I protect those who come here; for I am Tarzan, Lord of the Jungle!" The two-disc collectors set includes all 16 episodes from the series' first season, Warner

**Toni Braxton The Movie Event** Based on her memoir *Unbreak My Heart*, Toni Braxton: The Movie Event follows the seven-time Grammy Award-winning R&B icon from her discovery by L.A. Reid and Kenneth "Babyface" Edmonds to her recent battle with lupus. In light of surviving a public divorce and navigating her son's autism and family struggles, the movie reveals how she triumphed over these challenges to become a global inspiration. Lionsgate June 14

**10 Cloverfield Lane** Following a car accident, Michelle (Mary Elizabeth Winstead) awakens in the basement fallout shelter of a conspiracy-crazed man (John Goodman) who claims to have saved her from the wreckage of the crash. He also informs her that a chemical attack has devastated the surrounding area, rendering the outside world uninhabitable. Emmett (John Gallagher Jr.), who barely made it into the shelter, corroborates this version of events, but Michelle remains suspicious. As the dynamics within the bunker continually shift, she begins to doubt the truth of both what's happening in the shelter and in the outside world. Paramount

**Alaskan Bush People** Experience the Alaskan wilderness with the "Wolfpack" with *Alaskan Bush People: Seasons 1 & 2*.
