Sleeping With Other People Lainey (Alison Brie) and Jake (Jason Sudeikis) lost their virginities to each other in college, and they meet again, years later, when they attend the same meeting for sex addiction. Both of their love lives are disasters, and after rekindling their friendship, they vow to keep their relationship platonic so they can help each other with their problems: Jake is a womanizer who can't commit, while Lainey hasn't gotten over a married doctor (Adam Scott) she's been having an affair with. In time, Jake falls for a high-powered businesswoman (Amanda Peet) who buys his start-up company, while Lainey starts dating a financier (Marc Blucas). Yet through it all, they feel closer to each other than to any of their actual partners. Jason Mantzoukas and Andrea Savage co-star as a married couple who are friends with Jake, and who pressure him to settle down to avoid being the weird single guy at their parties. Paramount

Kill Game In the fictional town of Grace Arbor the answers are never clear. Who is

underneath the mask? PRANK'd is the story of a group of high school kids who amuse themselves by pulling pranks on unsuspecting students and teachers.

They are all popular, good looking, the kids voted most likely to succeed. But at their core lies a cruelty and shallowness which comes with the territory of privilege. One night, a prank goes horribly wrong and a teenager is killed. The gang covers it up as a drowning accident but five years later, their lives are turned upside down when Jimmy Edwards, is killed by a serial killer wearing a haunting Marilyn Monroe mask. Soon, the gang are killed one by one in manners mirroring the pranks they pulled in high school. Is it revenge? Is it karma? Is it the dead boy's spirit coming back to avenge his death? Is it his twin brother, Liam, who has come to Grace Arbor asking questions? One thing is certain...No one is laughing now. Cinedigm

Little Dead Rotting Hood The residents of a small town discover that something more sinister than killer wolves is lurking in the backwoods: first the wolves start turning up dead...then people. Cinedigm

Party of Five Complete Series Nothing could be worse than the sudden death of parents. One day Nick and Diana Salinger were killed in a terrible car crash, and left their five children all alone. Charlie (Matthew Fox), the oldest, will have to step in and take care of the family, serving both as father and brother. Bailey (Scott Wolf), the middle brother, tries to keep everything under control but undergoes an alcoholism problem when he realizes he can't do it all. Julia (Neve Campbell), a young girl who keeps jumping from one bad relationship to another. Claudia (Lacey Chabert), the youngest girl that plays the violin, who has to enter adolescence without any help of parents, and little baby Owen, who was only 6 months old when his parents died and thus will never know how it feels like to have a mother and a father. Together, they go through all sorts of problems, from handling their parents restaurant and trying to keep it running to disastrous relationships and school problems. Soon they realize that in order to survive, no one can be selfish and they all have to help each other. They're a family and have to stick together. Winner of the 1996 Golden Globe for Best Dramatic Series, this one hour show from Columbia Pictures Television empathizes the way a family uses creativity, humor and love taught by their parents to handle the conflicts and necessities of everyday life. The show ran for 6 seasons on Fox. Mill Creek
