

# New On DVD & Blu-Ray

**Boardwalk Empire Season One** From Emmy-winning writer Terence Winter (The Sopranos) and Executive Producer Martin Scorsese, Boardwalk Empire begins in Atlantic City in 1920. It is the eve of Prohibition, and county treasurer, Enoch "Nucky" Thompson (Steve Buscemi) is looking to cash in. As the undisputed "Boss" of Atlantic City, Nucky leads a double life as a politician and bootlegger; Prohibition may have outlawed alcohol, but in Nucky's world it has opened up highly lucrative opportunities for gangsters and rumrunners looking to provide "liquid gold" for a thirsty nation. In a city defined by notorious backroom politics and vicious power struggles, Nucky must battle with a relentless federal agent, ambitious underlings, and opportunistic rivals - including Arnold Rothstein, Lucky Luciano, and Al Capone. *HBO*

**Justified Season 2** In the aftermath of the deadly showdown that freed Harlan County from the Crowder family crime reign, U.S. Marshal Raylan Givens must now take on even greater criminal forces looking to seize power - including hellbent nemesis Boyd Crowder and the arrival of brutal, new adversary Mags Bennett. Filled with treacherous twists at every turn. *Sony*

**Contagion** When a lethal airborne virus with the power to wipe out humanity is unleashed, the worldwide medical community races to find a vaccine and stop the panic from spreading. Starring Matt Damon, Gwyneth Paltrow, Kate Winslet, Marion Cotillard, and Academy Award nominees Jude Law and Laurence Fishburne, this edge-of-your-seat thriller follows the deadly path of a virus that is beyond containment. Researchers for disease control, the military, the World Health Organization and ordinary civilians mobilize to try and find a cure and the cause before it's too late. Directed by Steven Soderbergh, this portrait of suspense examines how courage pulls us together... while society is falling apart. *Warner*

**Bucky Larson Born To Be A Star** Adam Sandler co-writes and produces this Columbia Pictures comedy starring Nick Swardson as Bucky Larson, a nerd from nowhere who heads out West to become a porn star after finding out his parents were ones themselves. Upon arriving in Hollywood, a waitress (Christina Ricci) with self-esteem issues gets him situated in the slightly less seedy part of town. Meanwhile, Bucky connects with a friend of his parents, Miles Deep (Don Johnson), who pities the backwards man-child and gives him a shot in the world of porn - only to discover that he's severely lacking in both experience and manliness. Through sheer luck, the footage of Bucky becomes a viral hit on the internet and he is propelled to the top of the adult film business, irking the current king of porn actors, Dick Shadow (Stephen Dorff), who'll do anything to not be in the shadow of the small time fool. *Sony*

**Mannix 6th Season** Joe Mannix (Mike Connors), an Armenian-American Korean War veteran, is a cunning and tough private eye who solves an array of baffling and deadly cases in Los Angeles with the help of his dedicated secretary, Peggy Fair (Gail Fisher). Also aiding Joe are several cops, including Lt. Malcolm (Ward Wood) and Lt. Tobias (Robert Reed), as he braves danger to pursue murderers, kidnappers and thieves in this hard-edged, critically acclaimed series. *Paramount/CBS*

**Good Morning Vietnam** Set in 1965; Produced and released in 1987. In Good Morning, Vietnam, which is based on a true story, Cronauer (Robin Williams) is a nonconformist with a wicked sense of humor who is transferred from Crete to Saigon. Outrageous and over the top, Cronauer speaks in accents, creates characters, pokes fun at everyone including the President and spins banned rock and roll tunes. While his antics amuse the masses, they also put him in hot water with his superior officers, particularly Lt. Steven Hauk, who would prefer that the radio show be censored, sanitized, and completely noncontroversial. Cronauer takes his show outside the radio station when he starts to teach Vietnamese locals English in an effort to meet pretty, demure Trinh. He befriends Trinh's brother, Tuan, who becomes an unlikely comrade in uncertain times *Buena Vista*

**Dead Poets Society** Williams portrays passionate English professor John Keating, who, in an age of crew cuts, sport coats and cheerless conformity, inspires his students to live life to the fullest, exclaiming... "Carpe Diem, lads! Seize the day. Make your lives extraordinary!" The charismatic teacher's emotionally charged challenge is met by his students with irrepressible enthusiasm--changing their lives forever. *Buena Vista*

**Our Idiot Brother** Paul Rudd stars in this witty and highly relatable comedy about that one family member who is always just a little bit behind the curve. For sisters Liz (Emily Mortimer), Miranda (Elizabeth Banks) and Natalie (Zoey Deschanel), that person is their upbeat brother Ned, an organic farmer whose willingness to trust human kind allows for oddly trouble-free existence. Ned may be utterly lacking in common sense, but he is their brother and after his girlfriend dumps him and boots him off the farm, his sisters must once again come to his rescue. As Liz, Miranda and Natalie each take a turn at housing Ned, their brother's unfailing commitment to honesty creates more than a few messes in their comfortable routines. But after seeing life through Ned's optimistic perspective, his family comes to realize that maybe Ned isn't such an idiot after all. *Anchor Bay*

**I Don't Know How She Does It** A working mother strives to balance her demanding career with the stress of raising two young children and maintaining a healthy marriage in this comedy adapted from the best-selling novel by Allison Pearson. By day, Kate Reddy (Sarah Jessica Parker) works for a Boston-based financial management firm; by night, she's a devoted mother to two adoring children and the happily married wife of out-of-work architect Richard (Greg Kinnear). Though balancing those two worlds has its fair share of challenges, Kate generally manages to come out on top thanks to the support of her best friend, Allison, who's had plenty of experience balancing kids and a career. Meanwhile, on the other end of the spectrum, Kate's sharp-as-a-tack junior associate assistant, Momo (Olivia Munn), possesses a fear of children and a strong work ethic. Just when Kate lands a lucrative new account that will see her traveling across the country on a regular basis, however, her new business associate Jack (Pierce Brosnan) reveals his flirtatious side and Richard receives a job offer he can't turn down. Though it looks as if Kate and Richard couldn't possibly take on any more responsibility, the demands of modern living ensure they'll never have a dull moment, even if they try. *Anchor Bay*

**Apollo 18** Officially, Apollo 17, launched December 17th, 1972 was the last manned mission to the moon. But a year later, in December of 1974, two American astronauts were sent on a secret mission to the moon funded by the U.S. Department of Defense. What you are about to see is the actual footage which the astronauts captured on that mission. While NASA denies its authenticity, others say it's the real reason we've never gone back to the moon. *Anchor Bay*

**Sinners and Saints** A haunted New Orleans cop realizes that one of his oldest friends may be the ringleader of a vicious crime ring while teaming with a seasoned detective to investigate a brutal underworld killing. Detective Sean Reilly (Johnny Strong) is the head of the distinguished "Street Crimes" crime squad in the Big Easy. He's still recovering from the recent death of his son when his wife walks out on him, and his partner is killed during a brutal ambush. Sympathetic yet reluctant to lose one of his best men, Captain Trehan (Tom Berenger) partners Sean with Detective William Ganz (Kevin Phillips). Their mission: sniff out the clues in a brutal gangland slaying, and bring the killer to justice. Later, as all evidence points to Colin (Sean Patrick Flanery), a lifelong friend of Sean's and a defense contractor who has recently returned from the Middle East, the stakes suddenly get higher than anyone could have anticipated. *Anchor Bay*

# New On DVD & Blu-Ray

**Two Minutes To Glory** Two minutes: Sometimes, that's all it takes. In just two minutes of football, miracles can occur, mere passers can become legends, and those wild, heart-pounding moments can capture the imagination of all fans and become etched into the fabric of NFL lore. *Two Minutes to Glory* lives in those two minutes like no DVD ever has. With exclusive sideline sound and player wirings, go inside some of the most miraculous comebacks and goal-line stands in NFL history. You'll see the crowning glory of championship winning drives, and meet the legends who've made the incredible seem commonplace. With over two hours of exciting footage and thrilling extra content, *Two Minutes to Glory* bring you the most nerve-rattling moments of NFL football, presented by the Emmy Award winning storytellers of NFL films. This is a must for any football fan. *Vivendi*

**Dolphin Tale** Inspired by the incredible true story of Winter, a dolphin who was rescued off the Florida coast after her tail became caught in a crab trap, this uplifting family-oriented adventure from director/co-screenwriter Charles Martin Smith details the unique bond between an injured dolphin and a young boy. When Winter loses her tail in a tragic accident, her young friend convinces the locals to build her a prosthetic replacement, inspiring hope and courage in handicapped people across the globe. Nathan Gamble, Morgan Freeman, Harry Connick Jr., Ashley Judd, and Kris Kristofferson star. *Warner*

**A Turtle's Tale: Sammy's Adventures** This family-friendly animated film follows the journey of Sammy, a sea turtle who leaves the beach where he was born and spends the next 50 years exploring the world's oceans all while trying to find his first love, another turtle named Shelly. Along the way, Sammy encounters many threats to the health of his watery environment, including oil spills, whaling ships and more. Isabelle Fuhrman and Tim Curry lend their vocal talents to the film. *Vivendi*

**Blackthorn** It's been said (but unsubstantiated) that Butch Cassidy and the Sundance Kid were killed in a standoff with the Bolivian military in 1908. Cassidy survived, and is quietly living out his years under the name James Blackthorn in a secluded Bolivian village. Tired of his long exile from the US and hoping to see his family again before he dies, Cassidy sets out on the long journey home. But when an unexpected encounter with an ambitious young criminal derails his plans, he is thrust into one last adventure, the likes of which he hasn't experienced since his glory days with the Sundance Kid. *Magnolia*

**The Garfield Show: Dinosaurs and other Animal Adventures** Everyone's favorite cat is at it again! Join this larger than life feline and his animal friends as they embark on a series of adventures from digging up dinosaur bones, working with farm animals and discovering life under the sea. No stone is left unturned as Garfield takes us through the history of dogs, attends a pet show and even prepares to eat a pet goldfish! Being part of the animal kingdom has never been any more exciting! *Vivendi*

**The Guard** Two policemen must join forces to take on an international drug-smuggling gang - one, an unorthodox Irish policeman and the other, a straitlaced FBI agent. Sergeant Gerry Boyle (Brendan Gleason) is an eccentric small-town cop with a confrontational and crass personality and a subversive sense of humor. A longtime policeman in County Galway, Boyle is a maverick with his own moral code. He has seen enough of the world to know there isn't much to it and has had plenty of time to think about it. When a fellow police officer disappears and Boyle's small town becomes key to a large drug trafficking investigation, he is forced to at least feign interest when dealing with the humorless FBI agent Wendell Everett (Don Cheadle) assigned to the case. *Sony*

**Archer Season 2** Sterling Archer, the world's most dangerous spy, and his snarky ISIS cohorts are back for another outrageously raunchy season of international espionage and hilarious inter-office intrigue! When he's not busy foiling eco-terrorist threats, tracking down mysterious killers, or having sex in x-ray machines, the suave master-spy has his hands full with bikini-clad ninjas, Swiss nymphomaniacs, and paternity suits. Archer searches for the true identity of his father, battles breast cancer, and brings a sexy, ex-KGB agent home to meet his domineering mother. It's all in a day's work for the international man of mystery in this uproariously edgy animated farce. *Fox*

**In The Name of the King 2 Two Worlds** Dolph Lundgren stars as a modern-day warrior who travels back through time in this action-packed follow-up to the original *In The Name Of The King*. Granger (Lundgren), a lethal, ex-Special Forces soldier, finds himself transported back to a mystical age of sorcery, dragons and savage hand-to-hand combat. He has been summoned to defeat the forces of darkness and fulfill an ancient prophecy. But as he fights his way to the truth, Granger learns no one can be trusted and one wrong move could cost him not only his life, but the future of his world. *Fox*

**Shark Night** Arriving by boat at her family's Louisiana lake island cabin, Sara and her friends quickly strip down to their swimsuits for a weekend of fun in the sun. But when star football player Malik stumbles from the salt-water lake with his arm torn off, the party mood quickly evaporates. Assuming the injury was caused by a freak wake-boarding accident, the group realizes they have to get Malik to a hospital on the other side of the lake, and fast. But as they set out in a tiny speedboat, the college friends discover the lake has been stocked with hundreds of massive, flesh-eating sharks! Stars Sara Paxton, Chris Carmack, Joel David Moore, Katharine McPhee. *Fox*

**The Borgias First Season** is a complex, unvarnished portrait of one of history's most intriguing families. Oscar-winner Jeremy Irons stars as Rodrigo Borgia, the cunning, manipulative patriarch of the Borgia family who ascends to the highest circles of power within Renaissance-era Italy. The series begins as Rodrigo becomes Pope Alexander VI, propelling him, his two Machiavellian sons Cesare and Juan, and his scandalously beautiful daughter, Lucrezia, to become the most powerful and influential family of the Italian Renaissance. Also stars David Oakes, Francois Arnaud, Holliday Grainger, Aidan Alexander, Emmanuelle Chriqui, Ronan Vibert, Mark Noble, Colm Feore, Joanne Whalley This set contains every episode from the first season of *The Borgias*, the cable series that follows the exploits of the infamous, powerful family that came to power in the 15th century. The program starred Jeremy Irons as the patriarch of the scheming, decadent clan. *Showtime/Paramount*

**Stars and Stripes** Forever is the rousing and patriotic march heard every Fourth of July, and, the inspirational film about the American music legend who wrote it, John Philip Sousa. Beginning with Sousa's days as a sergeant major in the United States Marine Corps and leader of the Corps' famous marching band, *Stars And Stripes Forever* transports you back to the 1890s and Sousa's ascent to world renown as a composer and conductor of The Sousa Band. Three-time Academy Award nominee Clifton Webb shines as Sousa, "The March King," along with Robert Wagner, Debra Paget and Ruth Hussey. *Fox*
