**Looper** In the futuristic action thriller *Looper*, time travel will be invented - but it will be illegal and only available on the black market. When the mob wants to get rid of someone, they will send their target 30 years into the past where a "looper" - a hired gun, like Joe (Joseph Gordon-Levitt) - is waiting to mop up. Joe is getting rich and life is good - until the day the mob decides to "close the loop," sending back Joe's future self (Bruce Willis) for assassination. The film is written and directed by Rian Johnson and also stars Emily Blunt, Paul Dano, and Jeff Daniels. *Sony*

**Perry Mason Season 7, Vol. 1** Take the stand for Season 7, Volume 1 of *Perry Mason*, one of television's most heralded attorneys. Raymond Burr returns as the brilliant defense lawyer, capable of filleting alleged eyewitnesses to murder with surgical precision through relentless and clever questioning. Aided by loyal detective Paul Drake (William Hopper) and devoted secretary Della Street (Barbara Hale), Mason takes on festive felons, decadent deans and badgered brothers, eliciting riveting confessions in 15 explosive episodes. This remastered four-disc collection also features a rare event in the history of the series: Perry's defeat at the hands of Hamilton Burger. Let the record show, this drama is guilty of excellence. *Paramount/CBS*

**NCIS Los Angeles Season 3** Season 3 of *NCIS: Los Angeles* hits the ground shooting as the team lands in Romania to rescue their boss and friend, Hetty Lange (Oscar winner Linda Hunt), from a ruthless crime family. But Hetty's mission is as much personal as it is professional, revealing a bombshell secret about team leader "G" Callen's (Chris O'Donnell) past. This secret culminates in the team's first-ever collaboration with Hawaii Five-O, in a joint effort to prevent a global pandemic... which ultimately brings Callen's vendetta full circle. The team pulls together with the bold moves of ex-Navy Seal Sam Hanna (LL Cool J), Special Agent Kensi Klye (Daniela Ruah) and LAPD liaison Marty Deeks (Eric Christian Olsen). While the operatives hunt the world for criminals, Eric Beale (Barrett Foa) and Nell Jones (Renee Felice Smith) are the home-base tech wizards who keep them posted on all international intel. In this 6-disc, 23-episode set, every mission keeps the team on its toes... and viewers on the edge of suspense. *Paramount/CBS*

**Freelancers** The son of a slain NYPD officer joins the force, where he falls in with his father's former partner and a team of rogue cops. His new boss, Sarcone, will see if he has what it takes to be rogue through many trials and tribulations of loyalty, trust and respect. When the truth about his father's death is revealed revenge takes him over and he won't stop until justice has been truly served. *Lionsgate*

**William & Catherine** A Royal Romance *William & Catherine: A Royal Romance* chronicles the love story of Prince William (Dan Amboyer) and Kate Middleton (Alice St. Clair) that resulted in one of the most celebrated weddings in history. At a pivotal point in their courtship, William takes to heart the advice of his mother, the late Princess Diana (Lesley Harcourt), which she bestowed in an interview before her untimely death. The message she left for her son: hold on to the love of your life and protect it with all of your heart. *Lionsgate*

**LOL** In a world connected by Facebook, Twitter and YouTube, Miley Cyrus stars as a teen girl navigating through the peer pressures of high school romance and friendship, while dodging her protective mother (Demi Moore), in the fresh coming-of-age comedy *LOL*. *Lionsgate*

**Rawhide Season 5 Vol. 1 & 2** Hit the trail for excitement as Rawhide saddles up for Season Five, Volume 1 with 16 classic episodes on DVD. Tough-rider Gil Favor (Eric Fleming), his trusted foreman Rowdy Yates (Clint Eastwood, in the role that launched his Oscar-studded career), and comically grouchy cook Wishbone (Paul Brinegar) return to ride herd over 3,000 head of cattle and 25 drovers en route to their final destination - facing a new set of hard-driving challenges, tackling sometimes controversial issues, and meeting truly unforgettable characters along the way. A Golden Globe nominee for Best TV Show, Rawhide never fails to entertain on its relentless push toward new frontiers of adventure. Adventure rides tall in the saddle for Season Five, Volume 2 of Golden Globe nominee Rawhide, featuring 15 action-packed episodes on DVD. Eric Fleming stars as tough-minded trail boss Gil Favor, with Clint Eastwood (in his breakthrough role) as his foreman Rowdy Yates, and Paul Brinegar as the frontier-hardened cook, Wishbone. Together with 25 drovers and 3,000 head of cattle, they will face a series of rustlers, bandits, gunslingers and more on their journey across the parched plains of 1860s America. One of television's longest-running and best-loved Westerns, Rawhide brilliantly captures a bygone era while remaining strikingly contemporary, with its searing portrait of men facing their own morality and the rewards of the efforts that built a nation. *Paramount/CBS*

**The Revenant** Bart Gregory (David Anders, TV's *The Vampire Diaries*) has been killed in action and buried with full honors - so why is he up and walking around? Turning to his best friend Joey (Chris Wylde, *Joe Dirt*) for the answer, the two buddies conclude that to keep Bart from decomposing, he needs blood... and lots of it! To get it, they become nighttime vigilantes, draining gangsters, drug dealers and bad guys alike of their precious blood. The side benefit of the bloodlust is safer streets for all, but more angry, undead criminals have a bone to pick with Bart and Joey. *Lionsgate*

**Titanoboa** This program from The Smithsonian Channel examines the discovery in a Colombian coal mine of a prehistoric fossil of a 48-foot, 2500-pound snake. *Inception*

**The Veteran** When he returns home from Afghanistan, troubled vet Robert Miller finds himself embroiled in another war in his violence-ridden housing complex. Soon, he becomes fixated on taking down brutal gangsters who may have ties to a suspected terrorist cell. *Inception*

**Logan's Run Complete Series** In the Year of the City 2274, humans live in a vast, bubbled metropolis, where computerized servo-mechanisms provide all needs so everyone can pursue endless hedonism. Endless, that is, until Lastday, when anyone who's 30 must submit to Carrousel, a soaring, spinning trip to eternity and supposed rebirth. The screen's first use of laser holography highlights this post-apocalyptic winner of a Special Achievement Academy Award for Visual Effects.\* Michael York plays Logan 5, a Sandman authorized to terminate Runners fleeing Carrousel. Logan is almost 30. Catch him if you can. *Warner*

**Telstar** Flamboyantly gay, addicted to amphetamines and with a hair-trigger temper that more than once led to him pulling a gun on musicians, 1960s British pop producer Joe Meek makes Phil Spector look like a pussycat. This biopic tells his story. From Meek's ascension to the top of the charts with "Telstar" to his dabblings in the occult and implication in a rent boy's murder, the film charts the composer's tumultuous life. Con O'Neill stars. *Inception*

**Strawberry Shortcake: Berry Brick Road** Strawberry Shortcake and her friends journey over the rainbow in a berry enchanting retelling of *The Wonderful Wizard Of Oz!* When a cyclone blows Strawberry to Oz, she runs afoul of a Wicked Witch and must journey to the Emerald City to ask the Wizard for help getting home. With her faithful dog Pupcake by her side, Strawberry meets Ginger Snap as the Scarecrow, Peppermint Fizz as the Tin Woodsgirl, and Orange Blossom as the Cowardly Lion. After making a big impression down the Berry Brick Road, the Munchkin-like Berrykins call on Strawberry and her friends to save the Gem-Berries whose glow lights the whole land of Oz. The Berrykins have been wasting what few Gem-Berries are left, and the Wicked Witch is out to destroy them entirely. It's up to Strawberry and her pals to save the day! Fox  
**Strawberry Shortcake: Bloomin' Berry Garden** Berry Bitty City is abuzz with activity! Flowers are blooming in all colors and sizes, the Berrykins are using their sparkles for the harvest, and everyone's favorite sweetheart - Strawberry Shortcake - is baking a scrumptious batch of corn muffins. But when a magical mix-up makes the Berrykins grow tall and the girls shrink down small, Strawberry and her friends discover that even when they're tiny, they can make a big difference. It's gardens, giggles and girl power galore in these berry exciting adventures! *Fox*

**Adventures in Lalaloopsy Land** Peanut Big Top has a really big surprise to share with all her Lalaloopsy friends, but Pillow Featherbed has gone missing. So the Lalaloopsy girls set out on an adventure, along with their pets, to find their friend. With lots of unexpected surprises and challenges, including an impending thunderstorm, the girls use creativity and their special talents, but nothing seems to work. Will they be able to find Pillow in time to see Peanut's exciting surprise? After trying almost everything, the girls realize that working together may be the only way to find their lost friend. This magical adventure is full of fun and friendship and it's just sew cute! *Fox*

**Sing-a-Long Beatlesongs** The Beatles have written and performed many of the greatest pop songs in the history of music. These are songs that are known and loved around the world and listened to by millions daily. But what if you want to share this love of The Fab Four with your little ones while they learn to read and speak English in a fun and stimulating manner? Where do you start? Enjoy "Sing-A-Long: Beatlesongs" with your children or friends with visually compelling classic animation and music written by the Beatles that will capture the imagination and attention of every viewer. Does not include actual Beatles performances. This release encourages children and parents to sing-along with a handful of The Beatles' greatest songs including "Yesterday," "Help," "Let It Be," and "Hey Jude." *Synergy*
