

# New On DVD & Blu-Ray

**Arrow: Season 3** The Arrow has become a hero to the citizens of Starling City - but that doesn't mean that Oliver Queen can take his eye off the ball and lead a normal life in the spectacular third season of the hit series based on the DC Comics character. A new wave of diabolical masterminds - from homegrown terrors inflicted by the resurgent Vertigo, the deranged Cupid, boomerang-wielding Digger Harkness and bloodthirsty "Brick" Brickwell to the insidious and pervasive havoc wrought by Ra's al Ghul and the League of Assassins - threatens all he holds dear. Team Arrow has grown into a powerful force, but the dangers and secrets that hold them together often put them at odds with each other, as the shadows cast by Malcolm Merlyn and the invincible Ra's al Ghul trigger shifts in loyalties and alliances that test them to their core. For matchless heroism under fire, this action-packed, this action-packed 4-disc, 23-episode Season Three can't be beaten!, Warner

**The Flash: Season One** Central City forensic investigator Barry Allen is smart, charming and - as a result of a scientific experiment gone awry - now the fastest man alive! He's The Flash, zigzagging through the action-packed new series from the creative team behind Arrow and based on the supersonic DC Comics character. With his life shadowed by his mother's murder and his father wrongly convicted of the crime, Barry finds that his newfound power of super-speed grants him the ability to move through Central City like an unseen guardian angel. However, Barry quickly discovers he's not the only "metahuman" created by the explosive disaster - and not all of them are using their new powers for good. Now, to protect the innocent, Barry and his close friends who know his secret race to combat evildoers in one astonishing adventure after another that come at you like lightning in this fantastic 4-Disc, 23-Episode Set. Warner

**Aquarius Season One** Los Angeles, 1967. Welcome to the Summer of Love. Aquarius stars David Duchovny ("The X Files;" "Californication") as Sam Hodiak, a seasoned homicide detective whose investigations dovetail with the activities of real-life cult leader Charles Manson in the years before he masterminded the most notorious killings of a generation, the Tate-LaBianca murders. A small-time but charismatic leader with big plans, Manson has begun to build up his "family", recruiting vulnerable young men and women to join his cause. Teaming up with a young cop who will help him infiltrate Manson's circle, Hodiak is forced to see things through the questioning eyes of someone who came of age amongst the current anti-establishment counterculture. Edgy, addictive and visually stunning, the Age of Aquarius is here. Anchor Bay
