Dumb and Dumber To Jim Carrey and Jeff Daniels reprise their roles as lovable imbeciles Lloyd Christmas and Harry Dunne in this sequel to *Dumb and Dumber* from original directing duo Bobby and Peter Farrelly. The movie revisits the titular duo of dumb Harry (Daniels) and dumber Lloyd (Carrey), 20 years after the events of the first film: Harry pays his first visit to his parents since the early '90s, and discovers a two-decade-old postcard from a gal he hooked up with (Kathleen Turner) informing him that she's pregnant. It turns out she had a daughter and put the girl up for adoption. Harry is moved by the prospect of having an adult child out there somewhere (and it just so happens that he needs a kidney transplant), so he and Lloyd embark on a road trip to track down his daughter. They get mixed up in many wacky situations along the way, like finding and stealing their old "Shaggin' Wagon," and being duped into pleasuring an old lady in exchange for her hearing aids. Horrible Bosses 2 Jason Bateman, Jason Sudeikis, and Charlie Day return for more employee revenge in this follow-up to the 2011 comedy. Sean Anders directs from a script by Anders and Jonn Morris. Having narrowly avoided prison following the antics of the previous film, Nick (Bateman), Kurt (Sudeikis), and Dale (Day) decide to go into business for themselves. When their breakthrough product, the Shower Buddy, catches the attention of a wealthy entrepreneur named Bert Hanson (Christoph Waltz) who offers to bankroll their initial production run, the eager inventors quickly move into manufacturing. Proudly filling Hanson's initial order before the deadline, they decide to surprise their key investor with the good news, only to get a nasty surprise: A shrewd businessman with a serious lack of ethics, Hanson announces that he is cancelling the deal. With no investors to keep the business afloat, the Shower Buddy factory will soon fall into foreclosure, allowing Hanson to scoop up the product at a fraction of the original cost, change the name, and reap the profits. Indignant, Nick, Kurt, and Dale hatch a plot to kidnap Bert's son Rex (Chris Pine) for a healthy ransom, paying a visit to criminal mastermind Dean Jones (Jamie Foxx) for a few pointers on the fine art of abduction. Needless to say, nothing goes quite as planned, and as the police launch an investigation into the elaborate crime, the hapless trio must once again race to stay one step ahead of the law. Jennifer Aniston and Kevin Spacey co-stars. Warner
