Batman Doom That Came to Gotham Inspired by the comic book series by Mike Mignola, Richard Pace and Troy Nixey, *Batman: The Doom That Came to Gotham* is a 1920s-based tale that finds explorer Bruce Wayne accidentally unleashing an ancient evil, expediting his return to Gotham City after a two-decade hiatus. The logic/science-driven Batman must battle Lovecraftian supernatural forces threatening the sheer existence of Gotham, along the way being aided and confronted by reimagined versions of his well-known allies and enemies, including Green Arrow, Ra's al Ghul, Mr. Freeze, Killer Croc, Two-Face, James Gordon and Bruce's beloved wards. Prepare for a mystical, often terrifying Batman adventure unlike any other. DC / Warner **JuJuTsu Kaisen Season One Part One** Yuji Itadori is a boy with tremendous physical strength, though he lives a completely ordinary high school life. One day, to save a classmate who has been attacked by curses, he eats the finger of Ryomen Sukuna, taking the curse into his own soul. From then on, he shares one body with Ryomen Sukuna. Guided by the most powerful of sorcerers, Satoru Gojo, Itadori is admitted to Tokyo Jujutsu High School, an organization that fights the curses. 2 Blu-ray Discs, 12 Episodes (1-12) Viz

Burn The Witch In this world, there is a "FRONT" side and a "REVERSE" side. Historically 72% of all the deaths in London are related to dragons, fantastical beings invisible to the majority of the people. While unknown to most, some people have been standing up to these dragons. Only inhabitants of Reverse London who live in the hidden "reverse" side of London can see the dragons. Even then, only a selected few become qualified enough as witches or wizards to make direct contact with them. The protagonists of the story are witch duo Noel Niihashi and Ninny Spangcole. They are protection agents for Wing Bind (WB), an organization for dragon conservation and management. Their mission is to protect and manage the dragons within London on behalf of the people. Viz
