The Staircase: Limited Series The Staircase is a riveting 8-episode limited series from HBO. Based on the shocking true story and the massively influential docuseries of the same name, the show follows Michael Peterson (Colin Firth), a closeted crime novelist who is accused of killing his wife Kathleen (Toni Collette) after she is found dead at the bottom of a staircase in their home. As the investigation continues, the entire Peterson family is thrown into a tumultuous legal battle. Meanwhile, a French documentary crew takes an interest in the story and dramatically changes the lives of everyone involved. HBO

The Grandmaster of Kung Fu In an attempt to invade China, the Japanese try to destroy the Tianjin Martial Arts Association and open their own military academy. Grandmaster Huo Yuan Jia, a martial arts expert, must stop them from taking over the city. Well Go

Father of the Bride Billy (Andy Garcia) and Ingrid (Gloria Estefan) are surprised when their eldest daughter Sofia (Adria Arjona) announces a new fiancé, Adan (Diego Boneta), and plans for a quick wedding. The news keeps Billy and Ingrid from announcing that they're planning to divorce... but they hold off for the benefit of the family. Billy's initial opposition to wedding cools, so long as his opinions carry the most weight. Soon, Adan's headstrong father (Pedro Damián) arrives with his own traditions and family pride in tow. With the fathers vying to control the festivities, it becomes a game of one upmanship

cultures clash, generations take sides and competing traditions collide. All relationships are tested as the roller coaster ride of wedding planning races toward the altar. Warner
Cloverfield 25th Anniversary As a group of New Yorkers (Michael Stahl-David, Mike Vogel, Odette Yustman) enjoy a going-away party, little do they know that they will soon face the most terrifying night of their lives. A creature the size of a skyscraper descends upon the city, leaving death and destruction in its wake. Using a handheld video camera, the friends record their struggle to survive as New York crumbles around them. The collectible, Limited-Edition 4K Ultra HD SteelBook includes new artwork reviewed and approved by both Abrams and Reeves, the film on both 4K Ultra HD Disc and Blu-ray™, access to a Digital copy of the film, as well as a wealth of legacy bonus content on Blu-ray, including alternate endings, deleted scenes, director commentary, and more: Paramount

Don't Worry Darling In the 1950s, Alice and Jack live in the idealized community of Victory, an experimental company town that houses the men who work on a top-secret project. While the husbands toil away, the wives get to enjoy the beauty, luxury and debauchery of their seemingly perfect paradise. However, when cracks in her idyllic life begin to appear, exposing flashes of something sinister lurking below the surface, Alice can't help but question exactly what she's doing in Victory. Warner

Bones and All Love blossoms between a young woman on the margins of society and a disenfranchised drifter as they embark on a 3,000-mile odyssey through the backroads of America. However, despite their best efforts, all roads lead back to their terrifying pasts and a final stand that will determine whether their love can survive their differences.
