Book Club The Next Chapter The highly anticipated sequel follows our four best friends as they take their book club to Italy for the fun girls trip they never had. When things go off the rails and secrets are revealed, their relaxing vacation turns into a once-in-a-lifetime cross-country adventure. Universal

The Truman Show 4K He doesn't know it, but everything in Truman Burbank's (Jim Carrey) life is part of a massive TV set. Executive producer Christof (Ed Harris) orchestrates "The Truman Show," a live broadcast of Truman's every move captured by hidden cameras. Cristof tries to control Truman's mind, even removing his true love, Sylvia (Natascha McElhone), from the show and replacing her with Meryl (Laura Linney). As Truman gradually discovers the truth, however, he must decide whether to act on it. The 4K Ultra HD two-disc set includes the film on both 4K Ultra HD Disc and on Blu-ray™, along with access to a Digital copy of the film and legacy bonus content on Blu-ray detailed below: How's It Going to End? The Making of The Truman Show – Two-Part Documentary, Faux Finishing—The Visual Effects of The Truman Show, Theatrical Trailers and TV Spots. Paramount

Evil Dead Rise In the fifth Evil Dead film, a road-weary Beth pays an overdue visit to her older sister Ellie, who is raising three kids on her own in a cramped L.A. apartment. The sisters' reunion is cut short by the discovery of a mysterious book deep in the bowels of Ellie's building, giving rise to flesh-possessing demons, and thrusting Beth into a primal battle for survival as she is faced with the most nightmarish version of motherhood imaginable. National Lampoon's Vacation 4K Everything is planned. Everything is packed. And everything is about to go hilariously wrong. The Griswolds are going on vacation. In the driver's seat, of course, is Clark Griswold (Chevy Chase), an Everyman eager to share the open road and the wonders of family togetherness with his wife and kids. Myriad mishaps, crude kin (Randy Quaid), encounters with a temptress (Christie Brinkley), financial woes, Aunt Edna (Imogene Coca) on the roof, one security guard (John Candy) and 2,460 miles later, it is indeed a wonder the Griswolds are together. There's never been a family vacation like it. Except perhaps for yours. And that helps explain why National Lampoon's Vacation remains so popular...and so very funny. Ultra HD Blu-ray contains the following previously released special features: Commentary with Chevy Chase, Randy Quaid, Matty Simmons, Harold Ramis, Anthony Michael Hall, and Dana Barron. Warner
