Brother's Keeper Identical twins Andy and Pete Goodwynn have always been there for each other. With high school graduation near, Pete plans to marry the love of his life and head off to seminary to become a preacher. Andy, a rebel at heart, has no plans and seemingly no future. But in a cruel twist of fate orchestrated by the town's most powerful family their lives are forever altered. Pete is framed for murder, leaving Andy struggling to find a way to save his brother. Can the brothers gain vengeance on those who have taken everything from them? While revenge may seem sweet, Brother's Keeper is a powerful reminder that only forgiveness can truly heal. Millennium

When The Checks Stop Coming In When The Checks Stop Coming In is a candid investigation into the lives of black celebrities as they fall from fame and fortune to poverty. It's the life of a celebrity one minute you are singing to an audience of thousands, playing to an arena of screaming fans, or performing on television for millions of viewers. The accolades are coming fast and furious and the money is pouring in. You think that the dream that you're living is never going to end, but then you wake up one day and all your money and your livelihood is gone. Your worst nightmare has come true and you're broke, the groupies are gone and the lifestyle has dried up. Even the most seasoned and celebrated have lost it all. The list of celebrities gone broke includes Toni Braxton, Antione Walker, TLC, Wesley Snipes, Allen Iverson, MC Hammer, Dennis Rodman... it goes on and on. Moguldom Studios interviews celebrities, managers, agents, and their financial advisors to learn how much was being spent and how these celebs spared no expense for the glitz and glamour that was their ultimate demise. This documentary looks behind the curtain and into the lives of black celebrities to find out how they got into financial trouble and what advice they would give to others in hindsight. Be it lavish lifestyles, poor financial management, child support, or tax evasion, When The Checks Stop Coming In explores how these celebrities perpetuate an underlying issue within the African American community: an obsession with the American dollar.
