Warcraft The peaceful realm of Azeroth stands on the brink of war as its civilization faces a fearsome race of invaders: orc warriors fleeing their dying home to colonize another. As a portal opens to connect the two worlds, one army faces destruction and the other faces extinction. From opposing sides, an unlikely set of heroes are set on a collision course that will decide the fate of their families, their people and their home. So begins a spectacular saga of power and sacrifice in which war has many faces, and everyone fights for something. Universal

Reign: Season 3 Mary and Francis realize that they are more powerful together than apart, believing there is hope for them to move forward, leaving behind the anger and hurt. It also introduces us to another Court, that of Elizabeth, "Virgin" Queen of England. Still early in her reign, Elizabeth faces opposition on all sides, particularly from men who doubt a woman's ability to rule. Like Mary, and Catherine de Medici, she struggles to hold onto power, and love; the women have much in common, and Mary and Elizabeth are reluctant foes, but foes nonetheless, each positioned by birth and fate to destroy all the other holds dear. Kingsglaive: Final Fantasy XV In order to protect his people from an invading army, King Regis (voice of Sean Bean) summons the mighty soldiers of the Kingsglaive. The two forces then do battle for control of a powerful crystal. Takeshi Nozue directed this animated action fantasy, which serves as a tie-in movie to the video game Final Fantasy XV and tells a story that runs parallel to the game's plot. Aaron Paul and Lena Headey also provide their voices. Sony

Banshee: Season 4 Fourth and final season of Cinemax's gritty action series, as Lucas Hood (Antony Starr) returns to Banshee without his badge, but with a new motivation: to hunt for a vicious serial killer and track down a long-lost ally. Season 4 begins two years after Lucas and Carrie (Ivana Milicevic) orchestrated a multimillion-dollar heist that went bad leaving Carrie's husband dead and Job (Hoon Lee) in the hands of a criminal gang. After a bender, during which he finds an unlikely savior in Rebecca (Lili Simmons), Lucas emerges from a self-imposed exile and goes back to Banshee to find it a drastically changed town that's facing multiple threats on many levels. HBO

Blue Bloods Season 6 The Reagans are back on the case in this explosive sixth season of Blue Bloods. The threat has never been greater as Frank (Tom Selleck) suspects New York City to be the next target for a terrorist attack. Meanwhile, his son Danny (Donnie Wahlberg) must track down dangerous targets of his own - serial murderers, cop killers, prison escapees - all while his brother Jamie (Will Estes) works to put the most heinous criminals behind bars, and their D.A. sister Erin (Bridget Moynahan) does everything she can to keep them there. When it comes to crime, nothing gets by this family. CBS/Paramount

Criminal Minds Season 11 Cases Cracked. Minds Blown. In Season 11 of Criminal Minds, the FBI's Behavioral Analysis Unit (BAU) braves a relentless enemy that jeopardizes their professional lives and demands unprecedented personal sacrifices. Tackling a network of cunning, cutthroat hitmen linked by the Darknet, Special Agents Aaron Hotchner (Thomas Gibson), David Rossi (Joe Mantegna), Derek Morgan (Shemar Moore), Jennifer "JJ" Jareau (A.J. Cook), Dr. Spencer Reid (Matthew Gray Gubler), technical analyst Penelope Garcia (Kirsten Vangsness), and a new crew member, forensic psychologist Dr. Tara Lewis (Aisha Tyler) delve into the depths of the Dark Web - and put their lives in peril like never before. While taking down other serial killers along the way, the team can never rest easy... and they pay a price from which there's no coming back. The twists keep unraveling in all 22 spine-tingling episodes, proving that when you face the worst of the worst, the BAU is the best of the best. Warner

Tarzan It has been years since the man once known as Tarzan (Skarsgard) left the jungles of Africa behind for a gentrified life as John Clayton III, Lord Greystoke, with his beloved wife, Jane (Robbie) at his side. Now, he has been invited back to the Congo to serve as a trade emissary of Parliament, unaware that he is a pawn in a deadly convergence of greed and revenge, masterminded by the Belgian, Captain Leon Rom (Waltz). But those behind the murderous plot have no idea what they are about to unleash. Warner

Suddenly Frank Sinatra stars in this thriller about an obsessed killer, and Sterling Hayden plays the level headed local sheriff of a drowsy town called Suddenly. Sinatra's performance as the psychopathic killer is one of his best. It is one of the most powerful portrayals of a psychopath ever committed to film. Sinatra plays a hired assassin who takes over the home of a widow, her son, her aging father-in-law and the town's sheriff in order to shoot the President passing through by train. While he and his thugs wait for the train, his cold blooded character unfolds. Film Detective

Laid In America YouTube superstar KSI makes his feature film debut alongside Caspar Lee in this laugh-out-loud, chaotic comedy. Duncan (KSI) and Jack (Caspar Lee) are exchange students with just one night left in the United States - and one final chance to lose their virginity with the girls of their dreams (something they really, really want to do). To have a shot at doing that, though, they need to get invited to the class bully's house-party that night... and, sadly for them, they aren't. The two friends hatch an elaborate and desperate bid to get in, which takes them on an unexpected adventure, navigating a minefield of problems from gun-wielding gangsters, to deviant drug lords. The boys must work together to fulfil their fantasies in time to catch their flights home. With an all-star cast, including Josh Leyva, Bobby Lee, Madison Iseman, and D. Universal

Teenage Mutant Ninja Turtles Out of the Shadows Your favorite pizza-loving turtles Michelangelo, Donatello, Leonardo and Raphael are back in the non-stop action adventure that is "fun from start to finish" (Brian Medina, Moviepilot.com). After super villain Shredder escapes custody, he joins with two mutant henchmen, Bebop and Rocksteady, to unleash a diabolical plan to take over the world. Now the brothers must team up with April O'Neil and their new, hockey-masked ally Casey Jones, to battle their enemies and face their biggest threat ever: the notorious Krang.. Paramount

Longmire Season 4 Longmire returns for its fourth season with more mystery, drama and dark secrets from Absaroka County, Wyoming. The new season finds unflappable Sheriff Walt Longmire and his deputies trying to put the troubling events of the past behind them. The mysterious White Warrior who tormented Branch is dead. Walt's best friend Henry Standing Bear is a free man. Longmire's right-hand deputy Victoria "Vic" Moretti is newly divorced. And the mystery of Walt's wife's murder is seemingly resolved. But just as it looks like a second chance is truly possible for everyone, the opening of the new casino on the Reservation brings dark new problems to Walt's corner of Wyoming. And his fresh start is further threatened as it becomes clear that some people cannot truly move on until they have either forgiven past injustices or avenged them. Warner

Central Intelligence The story follows a one-time bullied geek who grew up to be a lethal CIA agent (Dwayne Johnson), coming home for his high school reunion. Claiming to be on a top secret case, he enlists the help of the former "big man on campus" (Kevin Hart), now an accountant who misses his glory days. But before the staid numberscruncher realizes what he's getting into, it's too late to get out, as his increasingly unpredictable new friend drags him through a world of shootouts, double-crosses and espionage that could get them both killed in more ways than he can count. Barbarians Rising tells the epic story of the rise and fall of the Roman Empire from the perspective of the barbarian leaders who brought it down. The Roman Empire called them "barbarians" - savage tribes beyond the fringe of civilization. But they were also some of the fiercest warriors in history, men and women who rose up against absolute power so that they might live free, or die. Through fully dramatized portrayals of barbarian icons - including Hannibal, Spartacus, Arminius, Boudica, and Attila - and commentary by an eclectic group of experts and contributors, this four-part docudrama reveals the true story of a 700-year fight for freedom that would shape the world to come.
