Yellowstone Season 4 "Yellowstone" is an engrossing family drama that follows the epic story of a multi-generational family that controls the largest contiguous ranch in the U.S. In Season 4, the fates of Kayce, Beth, and John Dutton are unknown as Rip and the other wranglers wield their own brand of justice to take revenge and defend the Dutton legacy. Jacki Weaver, Piper Perabo and Kathryn Kelly join the cast in guest starring roles in the impressive ensemble that includes Oscar®-winner Kevin Costner, Luke Grimes, Kelly Reilly, Wes Bentley, Cole Hauser, Kelsey Asbille, Brecken Merrill, Jefferson White, Forrie Smith, Denim Richards, Ian Bochen, Finn Little, Ryan Bingham and Gil Birmingham with Will Patton. In Season 4 As Rip and the (surviving) Duttons recover from the attacks on their lives they seek for revenge on whoever is responsible. Meanwhile, Jamie grows closer to his father, who has his own kind of fatherly advice. Rainwater continues to fight for his rights and power and so does Market Equities, where CEO Caroline Warner shows up to re-energize their feud with both the Confederated Tribes and the ranching family. Season 4 four-disc Blu-ray and five-disc DVD sets include all 10 hour-long episodes from the fourth season, plus over four hours of bonus content including making-of-featurettes, behind the scenes clips, never-before-seen interviews with cast and crew, and more. I AM MORTAL If you could have immortality, what would you be willing to give up? Your free will? Your free thought? Set 200 years in the future when the human race has achieved immortality through a genetic vaccine created by one man, The Pilot. All war, violence and crime has been eradicated, but so have certain emotions and personal choices The Pilot deemed archaic. In this utopian society a small band of rebels questions if this immortal life is how humans were meant to live. They recruit a young man, Logos, who is only days away from receiving the "gift" of immortality and similarly questions The Pilot's world. But, The Pilot sends a spy, Akae, to infiltrate the group and capture Logos. Logos leads the rebels as they attempt to overthrow the status quo and reclaim their free will—including their right to die.. RLJE Films

The Matrix Resurrections To find out if his reality is a physical or mental construct, Mr. Anderson, aka Neo, will have to choose to follow the white rabbit once more. If he's learned anything, it's that choice, while an illusion, is still the only way out of -- or into -- the Matrix. Neo already knows what he has to do, but what he doesn't yet know is that the Matrix is stronger, more secure and far more dangerous than ever before. Warner
