**The Ten Commandments** Enjoying a life of ease in the court of Egypt's pharaoh, Moses (Charlton Heston) discovers his Hebrew heritage and, later, God's expectations of him. He dedicates himself to liberating his people from captivity and -- with the aid of plagues and divine intervention -- manages to lead them out of Egypt and across the Red Sea. A greater challenge comes in the form of the golden calf idol, however, and it takes an unforgettable visitation by God on Mount Sinai for Moses' mission to prevail. This spectacular release features three Blu-ray Discs™ and includes not only the fully restored 1956 version of the film, but also DeMille's original 1923 silent version, as well as a 16-page booklet featuring rare photos and historical facts about both productions. The set also includes an in-depth, 73-minute documentary entitled "The Ten Commandments: Making Miracles," commentary on the 1956 film by Katherine Orrison, author of "Written in Stone: Making Cecil B. DeMille's Epic, The Ten Commandments," newsreel footage of the film's New York premiere, theatrical trailers, hand-tinted footage of the Exodus and Parting of the Red Sea sequence from the 1923 version, a two-color Technicolor segment, and photo galleries. Paramount

**Richard Jewell** "There is a bomb in Centennial Park. You have thirty minutes." The world is first introduced to Richard Jewell as the security guard who reports finding the device at the 1996 Atlanta bombing his report making him a hero whose swift actions save countless lives. But within days, the law enforcement wannabe becomes the FBI's number one suspect, vilified by press and public alike, his life ripped apart. Reaching out to independent, anti-establishment attorney Watson Bryant, Jewell staunchly professes his innocence. But Bryant finds he is out of his depth as he fights the combined powers of the FBI, GBI and APD to clear his client's name, while keeping Richard from trusting the very people trying to destroy him. Warner

**Frozen II** Having harnessed her ever-growing power after lifting the dreadful curse of the eternal winter in *Frozen* (2013), the beautiful conjurer of snow and ice, Queen Elsa, now rules the peaceful kingdom of Arendelle, enjoying a happy life with her sister, Princess Anna. However, a melodious voice that only Elsa can hear keeps her awake, inviting her to the mystical enchanted forest that the sisters' father told them a long time ago. Now, unable to block the thrilling call of the secret siren, Elsa--along with Anna, Kristoff, Olaf, and Sven--summons up the courage to follow the voice into the unknown, intent on finding answers in the perpetually misty realm in the woods. More and more, an inexplicable imbalance is hurting not only her kingdom but also the neighbouring tribe of Northuldra. Can Queen Elsa put her legendary magical skills to good use to restore peace and stability? Disney

**Dark Waters** Corporate environmental defense attorney Rob Bilott (Mark Ruffalo) has just made partner at his prestigious Cincinnati law firm in large part due to his work defending Big Chem companies. He finds himself conflicted after he's contacted by two West Virginia farmers who believe that the local DuPont plant is dumping toxic waste in the area landfill that is destroying their fields and killing their cattle. Hoping to learn the truth about just what is happening, Bilott, with help from his supervising partner in the firm, Tom Terp, files a complaint that marks the beginning of an epic 15-year fight one that will not only test his relationship with his wife, Sarah but also his reputation, his health and his livelihood. Universal
