Shooter 4K Steelcase Box Bob Lee Swagger, one of the world's great marksmen and the son of a Congressional Medal of Honoree, is a loner living in the Rockies. He's left the military, having been hung out to dry in a secret Ethiopian mission a few years before, when he's recruited by a lisping colonel to help find a way that the President of the US might be assassinated in one of three cities in the next two weeks. He does his work, but the shot is fired notwithstanding and Bob Lee is quickly the fall guy: wounded and hunted by thousands, he goes to ground and, aided by two unlikely allies, searches for the truth and for those who double-crossed him. All roads lead back to Ethiopia.. Paramount

Ordinary People Steelcase Box An extraordinary motion picture, Ordinary People is an intense examination of a family being torn apart by tension and tragedy. Donald Sutherland and Mary Tyler Moore star as the upper-middle-class couple whose "ordinary" existence is irrevocably shattered by the death of their oldest son in a boating accident.

Timothy Hutton is the younger son, struggling against suicide and guilt left by the drowning. Judd Hirsch is the empathetic psychiatrist who provides his lifeline to survival. Mary Tyler Moore gives a riveting portrayal of the inexplicably aloof mother. Bonus content is as follows: Swimming in the Rose Garden—

Parallel Mothers Two women, Janis and Ana, coincide in a hospital room where they are going to give birth. Both are single and become pregnant by accident. Janis, middle-aged, doesn't regret it and she is exultant. The other, Ana, an adolescent, is scared, repentant and traumatized. Janis tries to encourage her while they move like sleepwalkers along hospital corridors. The few words they exchange in these hours will create a very close link between the two, which by chance develops and complicates, and changes their lives in a decisive way. Sony
