Journey 2 The Mysterious Island The follow-up to the 2008 hit! The new journey begins when young adventurer Sean (Josh Hutcherson) receives a coded distress signal from a mysterious island where no island should exist - a place of strange life forms, mountains of gold, deadly volcanoes, and more than one astonishing secret. Unable to stop him from going, Sean's new stepfather (Dwayne Johnson) joins the quest. Together with a helicopter pilot (Luis Guzman) and his beautiful, strong-willed daughter (Vanessa Hudgens), they set out to find the island, rescue its lone inhabitant and escape before seismic shockwaves force the island under the sea and bury its treasures forever. *Warner*

Thin Ice A salesman in a slump turns to a life of crime in this comedy-drama from filmmaker Jill Sprecher. Mickey Prohaska (Greg Kinnear) is an insurance salesman living and working in rural Wisconsin. Mickey likes to believe that he's a talented salesman who can talk anyone in to buying a policy, but the truth is his career has hit the skids, he's struggling to make ends meet, and his divorce from his wife Jo Ann (Lea Thompson) has shaken his confidence. Mickey and his new partner Bob Egan (David Harbour) are able to sell a policy to elderly farmer Gorvy Hauer (Alan Arkin), though Gorvy seems more interested in having someone come by and fix his television than discussing his financial future. One day, Mickey is paying Gorvy a visit when he makes a remarkable discovery the old violin in his living room is a vintage one worth \$30,000. Seeing an easy payday, Mickey begins hatching a scheme to get the instrument away from Gorvy and into the hands of a violin dealer, but his plan gets more complicated at every turn and eventually goes from difficult to dangerous. *Fox*

Episodes First Season Husband and wife writing team Sean and Beverly can't wait to bring their successful British television series across the pond to make it big in America. But in true Hollywood fashion, it quickly becomes a laughable, clichéd sitcom - starring none other than Matt LeBlanc. Matt not only messes with their beloved show, he rocks the foundation of their relationship. So now, even if they survive the absurdity of show business, will their marriage survive Matt LeBlanc? Don't miss a single episode of *Episodes* on DVD! *Showtime/Paramount*

Hit So Hard As the acclaimed drummer of Courtney Love's seminal rock band Hole, Patty Schemel was right in the middle of all of it. The openly gay woman who always felt "different" never dreamed she would be part of a multi-platinum selling band, touring with legends, or on the cover of Rolling Stone. Or that, thanks to drug addiction, she could lose it all. *Hit So Hard* tells the story of Patty's rise to fame (and nearly fatal fall from it), with no punches pulled... and it's one hell of a story. Told with insider interviews and stunningly intimate, never-before-seen footage shot by Patty and her friends (Patty was given a Hi-8 camera just before Hole's infamous Live Through This world tour), *Hit So Hard* is not only an all-access backstage pass to the music that shaped a generation, but a harrowing tale of overnight success, the cost of addiction, and ultimately, recovery and redemption. *Well Go USA*

Before and After A murder. A suspect. A shadow of a doubt. Two of Hollywood's brightest stars, Meryl Streep (*The Hours*, *Adaptation*) and Liam Neeson (*Gangs of New York*, *Schindler's List*), deliver spellbinding performances in this riveting, suspense-filled thriller! A small, close-knit community is rocked by a shocking murder - and the only suspect is the teenage son of a respected local family. Suddenly, Dr. Carolyn Ryan (Streep) and her husband Ben (Neeson) are faced with a gut-wrenching dilemma: Whether to risk everything on their son's innocence... or protect him from his possible guilt! Devastating yet powerfully entertaining, you're sure to agree with critics everywhere who found *Before and After* thrilling from beginning to end! *Anchor Bay*

D.O.A. Time. It's running out for Dexter Cornell (Dennis Quaid). He has just 24 hours to find out who poisoned him... and why. In his bizarre and deadly search, everyone has a secret. Everyone is a suspect. Even the woman (Meg Ryan) who loves him. Directed by Rocky Morton and Annabel Jankel, creators of superstar "Max Headroom," *D.O.A.* pulsates with explosive action and sizzling performances by Quaid and Ryan, two people who find themselves suddenly living on the edge. It's a night on the run, filled with fear, danger... and passion. *Anchor Bay*

I Melt With You Four friends come together for a reunion that leads them down a self-destructive path in this drama. Jonathan (Rob Lowe), Richard (Thomas Jane), Ron (Jeremy Piven), and Tim (Christian McKay) are four men in their mid-forties who have known each other since they went to college together. Each year, they reunite for a vacation, renting a beach house in California and engaging in as much drug- and alcohol-fueled carousing as they can tolerate. While they seem happy on the surface, in truth all four are deeply troubled; Jonathan is a doctor whose specialty is writing prescriptions for the right price, Richard is a teacher still mourning his unsuccessful career as a novelist, Ron is a commodities trader in trouble with the law, and Tim feels lost and purposeless in his life. Over the course of their holiday, the friends will be touched by an unexpected tragedy and shocked by revelations that change the way they view one another.

Blade Of Kings A sequel to the successful, 2003 action fantasy *Twins Effect* in name only, this stylized, special effects-heavy martial arts adventure finds a humble boy embarking on an epic journey to claim his rightful position on the throne of a vast kingdom. Enraged by tales of a young warrior who legend states will rise to end her diabolical reign over Huadu, the wicked Empress (Qu Ying) and her eunuch high priest (Daniel Wu) dispatch skilled assassin Blue Bird (Gillian Chung) to prevent the prophecy from coming to pass. Later, Blue Bird clashes swords with irritable slave trader 13th Young Master (Charlene Choi), but the two rivals decide to join forces after realizing they have a common goal. When Blue Bird and 13th Young Master cross paths with Blockhead (Wilson Chen) and Charcoal Head (Jaycee Chan, son of Jackie), they realize that one of the boys is the one prophesized to wield the mythical sword Excalibur, and defeat the evil Empress. Upon realizing that Charcoal Head is the legendary warrior in the flesh, Blue Bird and 13th Young Warrior join him on his treacherous quest to become the rightful ruler of Huadu. *Well Go USA*

Suicide Room A series of humiliating events 100 days before his graduation pushes privileged Dominik into the virtual world for comfort. He begins spending all his time as an avatar in the "Suicide Room," but soon his online adventures begin to dangerously bleed into his real life. Breathtaking animated sequences draw the viewer into the virtual world portrayed in this psychological drama of a teenager trying to escape the torment of bullying.
