The Truffle Hunters Deep in the forests of Piedmont, Italy, a handful of men, seventy or eighty years young, hunt for the rare and expensive white Alba truffle—which to date has resisted all of modern science's efforts at cultivation. They're guided by a secret culture and training passed down through generations, as well as by the noses of their cherished and expertly trained dogs. They live a simpler, slower way of life, in harmony with their loyal animals and their picture-perfect land, seemingly straight out of a fairy tale. They're untethered to cell phone screens or the Internet, opting instead to make their food and drink by hand and prioritizing in-person connections and community. The demand for white truffles increases year after year, even as the supply decreases. As a result of climate change, deforestation, and the lack of young people taking up the mantle, the truffle hunters' secrets are more coveted than ever. However, as it soon becomes clear, these ageing men may just hold something much more valuable than even this prized delicacy: the secret to a rich and meaningful life. Sony

12 Mighty Orphans tells the true story of the Mighty Mites, the football team of a Fort Worth orphanage who, during the Great Depression, went from playing without shoes—or even a football—to playing for the Texas state championships. Over the course of their winning season these underdogs and their resilient spirit became an inspiration to their city, state, and an entire nation in need of a rebound, even catching the attention of President Franklin D. Roosevelt. The architect of their success was Rusty Russell, a legendary high school coach who shocked his colleagues by giving up a privileged position so he could teach and coach at an orphanage. Few knew Rusty's secret: that he himself was an orphan. Recognizing that his scrawny players couldn't beat the other teams with brawn, Rusty developed innovative strategies that would come to define modern football. Sony

In the Heights In Washington Heights, N.Y., the scent of warm coffee hangs in the air just outside of the 181st St. subway stop, where a kaleidoscope of dreams rallies a vibrant and tight-knit community. At the intersection of it all is a likable and magnetic bodega owner who hopes, imagines and sings about a better life. Warner
